विषय:- SAFETY CERTIFICATE FOR SCHOOL BUILDING KV, LBSNAA, MUSSOORIE.

महोदय,

With reference to above subject mentioned, it is certified that school building seems structurally safe for normal use and under normal conditions subjected to timely prevention of leakage from toilet and repair of cantilever projection, cracks seems reflected on the surface along external periphery of building at the bottom, water is percolating in building through these cracks.

This certificate is valid upto 01st April 2021 to 30th September 2021.
